- Good teacher but I found it hard to understand.
- He was very helpful with this class.
- I confused this course teacher with the other one, sorry.
- The weekly zoom links were helpful, and he was more than willing to help us with any issues we ran into
- Wouldn't recommend

- As long as you go to every zoom session and turn in the group worksheets and all other work, it's what you make of it after that.
- I did not enjoyed this course, it was self taught and the content was not easy.
- I didnt like that everything was group work. It is a lazy way to teach a course and a big waste of time if you have already done the work before everyone else or you simply want to do it at a later date because it isnt due for another couple of days.
- Personally, I feel like this recitation did not do anything beneficial. Hitanshu was great, but personally, I feel like everything that we did in the recitation could have been done like a normal class. Having 2 of the same classes on canvas was difficult to work with also.
- Weekly zoom group work was not as bad as expected
