What is the name of the instructor you are evaluating?

- Hitanshu Pandit (4 Counts)
- Pandit

- Although this class is just a recitation any questions you may have would essentially not be answered.
- Mr. Pandit is very knowledgeable with the information he was teaching. Unfortunately, sometimes his explanations were a little too basic or lacked great enough detail to understand what was being asked. That being said, He did help out frequently and assist where he could. Overall, more experience would be beneficial.
- The language barrier was an issue. He knows what he's talking about but he couldn't convey it in an effective manner. I learned all of the material from other students and tutoring services.
- While he seemed knowledgeable, he was very hard to follow what he was trying to teach. Was often all over the place while teaching and most students struggled to learn the subject.

- Typical Online course. Mind Tap is a decent learning program
